

ELEVATE YOUR FASTENING EXPERIENCE

Designed by former installers, CableLoc was built to outlast traditional plastic zip ties with superior strength and durability, while being easier to use than other cable tie products. Crafted from high-quality stainless steel and with a patented fastening mechanism, CableLoc is the dependable, tool-free solution for all wire management needs

PERMANENT WIRE MANAGEMENT

- Stainless steel locking mechanism within a non-conductive polymer housing
- Gentle on wires - round cable and anti-friction sleeve prevents abrasion
- 120lb weight capacity

TOOL-FREE INSTALLATION

- Patent Pending self-locking mechanism
- No more crimping, reducing chance of failure
- Patent Pending slack storage eliminates need for wire cutting

25 YEAR WARRANTY

- No more brittle plastic ties with costly failures and service calls
- Quickly and efficiently complete any wire management job
- A dependable choice for both indoor and outdoor applications
